BAY SHORE CUT-OFF

Will Be Ready for the Running of Trains by October 15th

Southern Pacific people make the announcement that the bay shore cut-off of the coast division between the Third and Townsend streets depot and San Bruno will be ready for the running of trains on October 15th.

The cutoff has five extensive tunnels and a number of costly fills and embankment cuts. One of the latter has cost $1000,000, from it 750,000 cubic yards of rock and earth were excavated. In width it is 300 feet at the top and sixty feet at the bottom. Its total length is 1.250 feet, with a depth of 150 feet. The maximum grade is three-tenths of one per cent or three feet in 1,000 feet

By means of the new route, twenty minutes will be cut off the time between San Francisco and San Mateo this city and San Jose and it is the intention to run half hourly commutation trains between the city and Palo Alto and several intermediate points during the twenty-four hours of each day, except between midnight and 5 a. m.

For a while after the cut off is oper for business, the line through the Mission will have a curtailed steam service. Eventually, however, it will be converted into an electric road and form part of the Peninsula Electric railroad, which Harriman is now building north from San Jose by way of Palo Alto, Redwood City and San Mateo. This company will have a depot at Valencia street on the site of the present Southern Pacific station building.

O. E. O'KEEFE.....EDITOR AND PROPRIETOR

The wretched service given by the telephone company to the people of Redwood City is almost unbearable. It is not the fault of the local operators, for they are courteous and obliging, but the company itself, who is trying to fleece the people in making them pay a higher rate. The service between here and Mayfield is something frightful. It is next to no service at all. Palo Alto is the main office for Mayfield, Menlo Park and Fair Oaks, and at times one has to wait for hours before the service can be had. The subscribers should compel the company to give better service or order their phones taken out. The company can give a better service if it wants to.

Benjamin Ide Wheeler, president of the University of California, has won his contest for the Berkeley postoffice, having succeeded in securing the appointment of his friend, Clarence Merrill; but his victory brings him little honor. In his eagerness to get the office for his friend he declared that C. Thomas, who was backed by Senators Perkins and Flint and Congressman Knowland for the place, was not competent, though he is a graduate of the university over whose destinies Benjamin Ide Wheeler presides. Mr Wheeler should be severely disciplined for his gross reflection on the university. If a graduate of that institution is not capable of performing the duties of a country postmaster it had better close its doors, and thereby save a big expense to the taxpayers of the state. The question might be asked: Why should the president of the university mix in politics?

There is not a town on the peninsula that has a brighter or better future than Redwood City. It is by nature a manufacturing city, with all the advantages to make it a thriving place. Its water front is now commanding the attention of manufacturing concerns in San Francisco and elsewhere. Before long large plants will be established that will give employment to hundreds of men and expend thousands of dollars monthly. Negotiations are pending whereby several hundred acres of land is to be sold to manufacturers. Besides good water facilities, Redwood City will soon be a railroad center. It will be the junction for the Dumbarton and Southern Pacific roads and the terminus for two electric railway systems. One is to reach this city through the foothills and the other from Palo Alto to Ravenswood and from there along the marsh to the depot here. One of the roads will contiuue to San Mateo to connect with the electric road there. It is stated on excellent authority that the Southern Pacific has bought sixty acres of land this side of North Fair Oaks on which it will erect roundhouses and machine shops. It is announced that the spur track along Chestnut street will be shortly constructed, the citizens having agreed to pave the street by public subscription, and this will raise the objections of the Town Trustees to granting the franchise. With these conditions Redwood City is certain to be the most prominent town on the peninsula.

Abstract of Title Men Meet

H. W. Taverner, manager of the Abstract of Title Company of San Mateo County, of this City, was in Sacramento, for two days last week attending a meeting of representatives of the prominent abstract and title companies and searchers of records of the state. The meeting was for the purpose of forming a State organization of the abstractors and title men of standing. Mmebers of twenty-two firms, representing seventeen counties were present at the meetings, which were held in the Chamber of Commerce. L. C. Gates of the law department of the Title Insurance & Trust Company of Los Angeles, was elected president; Ross E. Pierce of Sacramento, secretary and treasurer; first, second and third vice-presidents were elected from representatives of companys of various counties; Mr. Taverner was appointed chairman of the Membership Committee.

The name of the association is the California Land Title Association. Its object is the bringing together of the various methods pursued in the profession by the different abstract and title companies searchers of records of the state, possessing "abstract plants", with a view to comparing and improving them, and also for the affiliation of abstractors throughout the state.

Boxing Exhibition Tonight

The regular monthly exhibition of the Redwood City Athletic club will be held to-night in Long's hall. The main event is to be a six-round bout between Sailor Lynch and Kid Weber. These two mitt artists met here during carnival week and the fight was declared a draw. Martin Lawlor and Jack Kinny will contest for honors in the 150-pound class; Phil McCoy of Ocean View will go four rounds with Pete Christie of San Mateo. Mike Chavis of this city is to try for pugilistic honors this evening. His opponent will be Kid Hanguard of San Francisco. Bill Sweeney of South City and Jack Corniz of San Francisco are billed to go four rounds. Two unknowns from San Mateo go on in the preliminary.

Out Looking for Signers

William Hooper and W. J. Murray, who are securing signers for a petition to be presented to the Supervisors calling for a bond election for a special road district in the Third Towpship, are encouraged on every turn. It is proposed to bond the special district to make permanent roads as the money derived from the road funds is not sufficient to do the work. Every taxpayer in the district is enthusiastic about the proposition and the bonds will carry by an overwhelming voe.

SHORT LOCAL SUGGESTIONS

Lee Ross Has Returned From Europe

REDWOOD WINS BALL GAME

Well-Known Attorney and Orator to Try Truck Farming. Personal Mention.

Miss Sarah Fry spent Thursday here visiting friends.

An exceptionally enjoyable evening is promised to all who attend the lecture on the evening of September 19, when Mr. George Weston Taylor and the two charming young musicians, Carrie Elizabeth Beale and araaret MacKenzie, will appear at the High School. The press is unanimous in its praise of Mr. Taylor's new lecture, "The Sunny Side of Life," and of the ability of his assistants.

Samuel M. Shortridge was in town Tuesday. He is enthusiastic about the future of San Mateo county. He has bought the S. T Britten place at Menlo, including the house and grounds of 15 acres. Shortridge said today that he wished to be known as a resident of Menlo—not as a suburbanite but as a farmer, seeing that he had taken up the gentle pastime of growing radishes and roses.

A more entertaining and instructic address than "The Sunny Side of Life", Mr. George Weston Taylor's new lecture which he will deliver on the evening of September 19, at the High School will be hard to find. Mr. Taylor is a strong speaker, highly cultured, of pleasing and magnetic personality which immediately secures the attention and sympathy of his hearers.

John J. Read sold three lots in the Gray tract and two lots on Phelps street this week. He has other sales that will be closed in a few days. There is a large demand for lots in the Gray tract for the reason that the proposed electric railroad will be constructed within a few hundred yards from it. Now is the time to buy when prices are low, for the Company owning the property expect to raise the prices shortly.

The Redwood City Cash Market, Robert Guichard proprietor, has a full line of fresh vegitables, fruit and dairy produce. He receives large consignments from San Francisco daily.

The Golden Eagle and Oakwood Cigars are still top notchers. They are the best ten cent smoke in town They are delicious, fragrant and manufactured from the best grade of tobacco by George Wiechring, proprietor of the Red Front Cigar Store.

One of the best games of the season took place onthe local diamond last Sunday. A large crowd was present. The contest was between the local team and a nine from Hollister The former won by a score of 11 to 1. When the Redwood team went to Hollister some weeks ago it met with defeat. A return game will be played some time hence to decide the championship The local nine will play the Gantner and Matterns tomorrow afternoon here, the latter were defeated by the former team two weeks ago and much interest is centered in tomorrow's contest. O'Bannon, of the Coast League will be in the box for the visitors. Since the reorganization of the Redwood team it won the three games it played. This is a good showing and speaks well for the new management.

MENLO PARK HAPPENINGS

Lots in Coleman Tract Selling Fast

LADIES' BAZAAR NOW OPEN

Large Crowds in Attendance. Some Novel Features for This Evening

Portions of a human skeleton were unearthed at St. Patrick's seminary last Monday. Men were engaged in excavating for the new infirmary building when the grewsome object was discovered. The skeleton is supposed to be that of an indian buried there many years ago. An indian burying ground was located in that vicinity. The skull was small and well preserved. The teeth were in perfect condition indicating that the person was young at the time of his death.

There were two excursions of real estate buyers here Sunday, one went to the Coleman Tract and the other to the Dillman subdivision near University Heights. Several lots were sold in both tracts. Among those who bought in the Coleman subdivision was J. K. Wilson, president of the San Francisco National Bank. He spent the summer at Palo Alto and will erect a beautiful home on the property. He purchased something over two acres.

County Surveyor James V. Neuman is engaged in making a survey for a drainage ditch to carry off the water that flows from the foot hills in the winter time inundating the Linda Vista and Quolitta tracts and the territory east of them. A ditch will be constructed from the above mentioned tracts down through the Sweeney fields to the marsh. The work will be done by private subscription. This will greatly improve property in that locality.

News came yesterday from the east announcing the engagement of Mrs. Austin C. Tubbs to Dr. Benjamin Brodie of Detroit, Mich. Mrs. Tubbs is well known here where, as Miss Anne Tallant, she was one of the belles of San Francisco. For the last few years Mrs. Tubbs has been living in Washington, D. C The wedding will probably take place in the early winter, after which the doctor and his bride will take a trip to the coast. Mrs. Tubbs is a sister of F. W. Tallant. Up until a short time ago she resided at Fair Oaks.

The Ladies' Bazaar for the church of the Nativity was opened last Wednesday evening under the most pleasing auspices. Great crowds have been in attendance all week and the exchequer of the various booths have been well filled, Mrs. Thomas Fitzgerald has charge of the Kitchen Booth, where every thing in the cullinary line may be had. Her excellent collection of glassware is finding ready sale. The Sodality booth is in charge of Miss Tuttle and here every thing fromm a tooth pick to a house are sold. The beautiful doll house constructed by Miss Marie Doyle is a work of art and is attracting much attention. California Booth is presided over by Mrs. Midgley and Mrs. A. Gale. A fine display of choice articles are displayed here. The array of pillows and sofa cushions are pleasing to the eye and are selling well. Mrs. T. Ward has charge of the ice cream booth and an adjunct to this booth is the cornecopia booth in charge of Miss Mae McCollough and Susie Gale and they are doing a rushing business The shooting gallery is in charge of John W. Morey and he is kept busy furnishing amunition to nimrods. There will be novel attractions this evening and large crowds are expected from Palo Alto, Woodside, Fair Oaks, Redwood City and Portola. Thebazaar will close Monday evening.

The work on the Presbyterian church was brought near a close last week by putting in the fixtures for electric light and new glass in the windows. The subscription has reached $893. This added to the $150 received from the earthquake fund makes the repair fund at present $1043. The following list of expenses will show what has been done:—

THE PARSONAGE.

Inside painting and papering	$200.00
Outside painting	105.00
Electric lighting	70.00
Chimneys, steps, screens, etc.	50.00
Work on grounds (donated)	15.00
Total	440.00

THE CHURCH

papering and varnishing	$ 95.00
Outside painting	95.00
Labor and material for roof steps, tower and general work	250.00
Repair of plastering (donated)	22.00
Electric lighting	107.00
Glass in windows	100.00
Total	669.00
Total on parsonage	440.00
Total on church and parsonage	$1109.00

The rooms in the rear could be made more comfortable by $50 being spent in paper, lubmer and paint. The fences hae done good service ever since Major Coon and others started the church a third of a century ago. $100 would enable us to give them a long rest and put something more artistic in their place. Fifty-six names are on the roll. There may be others who would like to have a hand in making the entire property what it should be. The people of the church desire to thank all who have helped to make possible the work already done. The parsonage is a beautiful eight-room cottage with more than ordinary conveniences The church really has two parsonages, so it offers this one for rent at $25 a month. The pastor would add his opinion of Menlo to that of others who have traveled widely in this and other countires. There is no better climate. The soil is very productive and the landscape is everywhere varied by thousands of the grandest old trees that can be found anywhere. R. C. MOODIE, Pastor

Last Saturday a ten pound baby girl was born to Mr. and Mrs. Patrick Kearney. The proud father is receiving all kinds of congratulations from his numerous friends and beams with delight when assuring them that the little miss is to be the future reigning belle of Menlo Park.

Miss Ora Lambert, the auburn beauty of San Francisco, spent Admission Day with her friend, Mrs. J. J. Downey.

Supervisor MacBain has his large steam roller at work grading and rolling Oak Grove Avenue. The portion of the avenue from the railroad crossing to the Middlefield road has been graded, sprinkled and rolled so that it is the finest piece of road in the county. The work has been done under the supervision of F. E. George.

The telephone service has been so wretched here that there is talk of forming a local company to establish a system in all the territory between Palo Alto and Fair Oaks. The poor service is caused by thedere election of the Palo Alto office which is the main office for this locality.

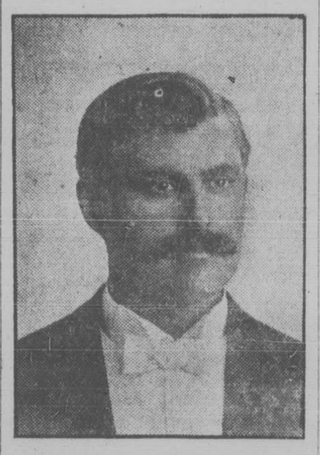
Watson Taylor to Lecture

If you want to get that happy look and feeling, go and hear George Weston Taylor at the High School on September 19, at 8 p. m. in his new lecture "The Sunny Side of Life." Mr. Taylor is a lecturer who never fails to satisfy those who want to hear a good thing well told; his sayings teem with practical wisdom, sparkle with epigrammatic wit and buble with wholesome humor. His work upon the platform has covered nearly every state in the Union and has received the highest econiums from the press and public. Carrie Elizabeth Beal, ea cornet virtuoso of enviable renown, and Margaret MacKenzie, a brilliant young musician will assist.



This is the first high-class entertainment given by the High School in years. Mr. McCrea has secured this group of entertainers on very favorable terms, and it is the intention to devote the money made from the entertainment to providing prizes for contests in declamation and debate later in the year. The entertainment will be held in the High School Assembly Hall and should be well attended.

Dingee Property Reported Sold

There is a rumor current this week that the Dingee property here has been sold to a Los Angeles syndicate for $750,000. The rumor cannot be confirmed, for Mr. Dingee is in New York and his representative here Mr. Cameron is at Santa Cruz and up to late last night no deed was placed on record.

BOARD OF TRADE HOLDS MEETING

Matters of Local Importance Discussed by Members

The Board of Trade held an important meeting last Tuesday evening. Secretary Thorpe reported having communicated with the proper Washington authorities concerning the dredging of the channel of the creek. He received good advice as to the best proceedure to follow .He was assured that the necessary appropriation would be made. Mr. Thorpe was instructed to continue the good work.

The Stauffer Chemical Company's application for a spur track along Chestnut street was discussed. The secretary explained that a new petition had been received from the Company and the matter stood in good way to be adjusted. He advised one minor question remained to be settled and with that closed and the estimate of the City Engineer in hand he would be in a position to present the matter to the townspeople and town authorities. He stated that he would need the assistance of the different members of the Board in negotiating with property owners and was told to call upon any member of the Board and that they would aid him so far as they were able, and he was directed to bring the matter along for proper hearing.

The poor telephone service was gritised. it was explained that the Sunset Telephone Company had an agent here to raise the price of the monthly rental of phones. The sum of $2 per month is now paid and the company wants to raise it to $2.50. The members of the Board thought this was extortion and sooner than submit to it would take steps to form a company to establish a local system, and to this end a committee was appointed to look into the matter.

Tract Being Subdivided

A. Hermann who with a corps of assistants has been busy for the last two months subdividing the C. A. Hooper tract has about completed the task and will in a few days go to Los Medanos where he will be busy for some three weeks surveying and subdividing a big tract of land also belonging to C. A. Hooper. Upon completion of the latter work he will return to the local tract and finish Eagle hill. This beautiful piece of property will be laid out in from one to five acre lots. Roads leading up to, and around the hill will be laid out in artistic style, water mains and sewers will be laid and all raods will be macadamized. Ornamental trees and shrubs from the nursery maintained at Los Medanoswill be planted and cared for under the supervision of Mr. Hermann.

Jefferson street will be 100 feet in width and running straight through to the foot hills making it a most attractive drive. All the level land will be laid out in lots 50 by 150. All streets will be macadamized. The property will be placed on the market when all of this work is finished, which will be some time next spring. The Peninsula Railroad will run through this property and cars will stop at four different station making this location most desirable property.

Charged With Embezzlement

Loren Coburn, of Pescadero, was arrested last week and charged with the embezzelment of 1200 sacks of grain from his tenant, M. E. Grover. The preliminary hearing was held at Pescadero last Tuesday before Judge McCormick. The evidence went to show that the controversy arose over the settlement of the annual acounts with the tenants and 1200 sacks of oats were place in Coburn's warehouse at Pidgeon Point. Coburn claims this as his share of the crops of 1904 and 1905, but the tenant claims otherwise and contends that a full settlement had been made. However, in the meantime Coburn holds on to the grain in question. The evidence developed the fact that no settlement under the lease had been made, and that no civil suit had been instituted to recover the grain by tenant Grover. Judge McCormick took the matter under advisement for two days at which time he is to given an elaborate opinion on the legal status of the case and has already gathered all the law books that can be located at Pescadero. There will be no chance for loopholes when Mac has rendered his decision. The People were represented by District Attorney J. J. Bullock and Coburn by Jas. T. O'Keefe.

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Redwood City testimony:

S. J. Horn, living at Del Monte Hotel, Redwood City, Cal., says: "I wish to emphatically state that Doan's Kidney Pills absolutely cured me of kidney trouble. At the time I began their use, I was suffering from a weakness of the kidneys accompanied by severe backaches. I tried many remedies none of which gave me any relief. Finally I saw Doan's Kidney Pills highly recommended, and they gave me relief from the first. I continued taking them carefully and strictly according to directions, and they banished the weakness of the kidneys and since that time my strength and ambition has returned. I am now feeling fine and am glad to recommend Doan's Kidney Pills to others."
